

## All fall down

Presidents, ministers, men of renown	G H Em
Who need to listen to the CO <sub>2</sub> clown	C D D7 G C
Yes go on, tear it down	G D C G

Who need the trees and the flowers to grow  
We can have the animals stored in a zoo  
I know, I know, I know they've got to go

Tear them down, mess them round	G D C
Make a mockery of all of the ground	D7 G C
And if you ever have a sleepless night	D C
Just think it won't happen, it will be all right	G C G C D

Politicians, planners go look what you've done  
We're wasting this planet, it just can't go on  
And one day it will all be gone

Tear them down, mess them round  
Make a mockery of all of the ground  
And if you ever have a sleepless night  
Just think you can't help it, you can't make it right
